Rollover/Transfer

If I am requesting account closure, I authorize the HSA Administrator to liquidate the investments in my HSA Investment Account and wait 10 days to allow any outstanding debit card transaction (if debit card is applicable to my account) to settle before mailing the check for any remaining account balance, less any applicable account closing fee.

- Rollover - Check will be made payable to HSA Accountholder and mailed to your address on file.

Please liquidate my entire account balance or \$

This rollover will / will not close my HSA account (please check one).

The IRS Code limits the number of rollovers that may be taken, how quickly rollovers must be completed and how the trustee or custodian must report the transaction. If you need additional information, please contact your tax advisor. By selecting this option, you are certifying to the bank that you have satisfied the rules and conditions applicable to your rollover and that you are making an irrevocable election to treat the transaction as a rollover. The funds you receive from the distribution of an HSA must be deposited into another HSA within 60 days from when you receive them. You are entitled to one distribution per year per HSA which may be rolled over. You are entitled to roll over the same assets only once in a twelve (12) month period.

- Transfer - Check will be made payable to the receiving Administrator/Trustee/Custodian for the benefit of the HSA Accountholder and mailed to the address you provide below. It is the HSA Accountholder's responsibility to forward the check to the new Administrator/Trustee/Custodian.
