The fastest way to get your money is to use your HSA debit card at the point of sale to pay for expenses. If you did not use your debit card, the quickest way to receive reimbursement is to sign up online for direct deposit to your personal checking account. 3. Enter your bank account information and click **Submit**.
4. The **Payment Method Changed** confirmation displays.
5. If there is a bank validation requirement, you will be notified on the portal to look for a small transaction or “micro-deposit” in your designated bank account in the next couple of days to enter online, which will validate your account.
